## **NOTICE TO OFFERORS**

(a) Contract Work Hours and Safety Standards Act.

- (1) Your attention is invited to the regulations issued by the Secretary of Labor pursuant to Section 107 of the Contract Work Hours and Safety Standards Act (Public Law 91-54; 86 Stat. 96; 40 U.S.C. 327), entitled "Safety and Health Regulations for Construction" (29 CFR 1926), and to the California Administrative Code, Title 8 - Construction Safety Order, and General Industry Safety Orders.
- (2) The Contractor will be required to comply with the Secretary's regulations and the California Administrative Code to the extent that any resulting contract involves construction. A written Injury and Illness Prevention Program must be submitted to JPL before start of construction.

(b) Performance and Payment Bonds.

- (1) Before final execution of any contract resulting from this RFP, the successful proposer will be required to submit "Performance" and "Payment" bonds. The penal sum of each such bond will be 100% of the contract Ceiling Price, or such other lesser amount as may be specified in Article 3 of the Specimen Contract.
- (2) The space for entering the date of each bond must be left blank. JPL will insert the date on final contract execution by JPL. This date will be the effective date of the contract.
- (3) In accordance with the provisions of the General Provision of the specimen contract entitled "Bonds," the penal sum of the attached bonds will not be increased during contract performance, unless specifically requested by JPL. Any increase in the penal sum will be set forth in a supplemental agreement to the contract, along with the increase in bond premium, if any.
