

#### **AGP-48. POTENTIALLY HAZARDOUS ITEMS**

- (a) The Contractor agrees to furnish complete design information and drawings showing all details of construction, including materials, for the items or components which are designated in the Schedule of this Contract as potentially hazardous to employees and subcontractors who are to perform any work in connection with installing such items or components in combination with other equipment, or in testing such items or components either alone or in combination with other components, items or equipment, or in handling such items or components; and to inform such employees or subcontractors of the potentially hazardous nature of such items or components; before requesting or directing the performance of such work.
- (b) The requirement herein for delivery of data supersedes any terms of this Contract permitting withholding of data.
- (c) The Contractor shall include this Article including this paragraph (c) in each subcontract at any tier awarded under the Contract that calls for the manufacture or handling of the items or components designated in paragraph (a) as potentially hazardous.
