Questions and Answers

Q: If granted, when would awards be made for this RFP?

A: "Proposal evaluation is expected to be completed by the last week in October and Awards are expected to follow within 2 weeks."

Q: I'm adding the resumes to my proposals and a question has arisen. I am the only Investigator (PI or CoPI) on the project. I have a researcher who is advising the project and is listed as part of the cost share and an external consultant. Do I need resumes from all three of us or just mine?

A: Please refer to Page 10: Appendix C, Section "B", Item 8. Resumes. Brief resumes (1-2 pages) for all named investigators should be appended to the proposal.
