

Addendum No. 3

October 2, 2002

I'm pricing the RFP sample you sent for the JPL CWO #MFS-553180 and noticed that the CEB template Attachment A-19 shows \$25,000 for materials yet your instructions call for pricing \$15,000. Do you have a preference?

Please use the Attachment A-19 pricing of \$25,000 for materials.
