

Addendum No. 8 to RFP No. 0011204

March 4th, 2004

Except as specifically modified herein, this RFP remains unchanged. Proposers are reminded that receipt of this Addendum No.8 must be acknowledged on Attachment A-1 or A-5 to the solicitation.

Clarification: As the proposal due date has been extended written questions will be accepted through March 9th 2004

Question: I do not see a proposal validity period identified in the RFP. What is the JPL proposal validity period?

Response: JPL did not specify a proposal validity period. Proposers should enter a proposal validity period in question #7 to attachment A-1. JPL currently anticipates contract execution on or about July 9th, 2004.
