

Addendum No. 1

The following question and corresponding answer is being provided to all proposers on this MRO 05 website. Please acknowledge receipt of Addendum No. 1 in your proposal (i.e. Attachment A-1, ACKNOWLEDGEMENT, Item 7)

Question 1:

In Section 8.2 of the proposal instructions it still includes the following language "The proposer shall provide, under a separate section within its Past Performance Volume, a discussion demonstrating that the proposer meets (or will meet at the time of the award) the mandatory qualification criteria set forth above". This is in conflict with the past performance volume 3 instructions and should have been superceded by volume 2.

Answer 1:

Delete the first sentence in paragraph 8.2 of the RFP General Instructions and substitute:

The proposer shall provide, under Volume 2, a discussion demonstrating that the proposer meets (or will meet at the time of award) the mandatory qualification criteria set forth above.
