Notes

- A. These instructions, which are made part of your subcontract by reference, are intended to provide guidance regarding submitting invoices to JPL so that we can process them for payment as quickly as possible. Regardless of these instructions, all JPL subcontractors remain solely responsible for compliance with the terms and conditions of their subcontracts and all applicable laws. To the extent of any inconsistency between these instructions and the corresponding subcontract, please refer to the Order of Precedence General Provision.
- B. The attached sample invoices are intended as an aid rather than as a restriction to a specific billing form. JPL will accept any format provided it contains the information required by your subcontract, including these instructions. Invoices must be prepared on commercial invoices (e.g. company's letterhead). We cannot accept invoices prepared on a Public Voucher SR # 1034 form.
- C. We take the following steps in an attempt to pay every invoice that complies with these instructions within 30 days of receipt at JPL Invoice Management Services (IMS):
 - 1. Once we receive your invoice, we review each invoice for the above requirements.
 - 2. If the invoice does not meet any of the requirements, we will contact you ASAP and may request a correction and/or resubmission.
 - 3. We then send your invoice to the JPL Contract Technical Manager (CTM) for review and approval.
 - 4. Once we receive CTM approval, we will process your invoice for payment.
- D. For faster payment, IMS recommends signing up for Direct Deposit. Please visit our website download the Direct Deposit Authorization form.
- E. **Notice of Potential Tax Withholding** – incorporated into your Subcontract as part of the General Provisions, JPL is legally obligated to withhold federal and/or state income taxes from certain contractor payments when required by law.

A state tax of 7% may be deducted from payments for the following: (1) labor for services, including customization of tangible goods, performed in California or (2) rental or lease of real or tangible property in California or (3) Royalties for software licenses used in California. Entities subject to this California Tax Reporting and Withholding include: contractors, sole proprietors, corporations, LLC companies and partnerships that do not have a permanent place of business in California or are not registered to do business in California.

Payments made to non-U.S. resident alien contractors, sole proprietors, corporations etc. are subject of up to a 30% federal tax withholding for: (1) services, including customization of tangible goods, performed in the United States (2) rental or lease of real or tangible property in the United States or (3) Royalties for software licenses used in the United States. Non-U.S. resident individual sole proprietors may be exempt from federal tax withholding or entitled to a reduction in federal taxes withheld if they claim exemption under an existing tax treaty between their country of origin and the United States
