

SBPO eNewsletter

July 15, 2020 - Vol. 30

The Small Business Programs Office (SBPO) works to promote and integrate small businesses into the competitive base of subcontractors that support space exploration, scientific discovery, and aeronautics research at JPL. The SBPO is committed to being a trusted NASA Small Business Advocate.

VITAL

Ventilator Intervention Technology Accessible Locally

In response to the COVID19 Pandemic, a high-pressure ventilator designed by the Jet Propulsion Laboratory for rapid production is being tested for use in medical centers. Six out of eight US-based licenses have been confirmed as Small Business for the JPL Ventilators.

NASA Message to Vendors

The current NASA Vendor Database (NVDB) sunset on June 30, 2020 and you will no longer have access to your vendor account. The NASA Office of Small Business Programs (OSBP) is committed to remain engaged with the small business community and has developed a new platform to stay in touch with vendors.

If you would like to continue to receive updates from NASA OSBP and other Agency acquisition personnel, please complete the Google Form at the link below. Please note that by signing up for the NASA Vendor Database Registration list, you agree that NASA OSBP may share your company information with others at the Agency and fellow vendor registrants.

Monthly NASA OSBP, Agency acquisition personnel and vendors will receive an updated version of the registration list that will allow for:

- Market Research
- Vendor Search
- OSBP Learning Series notices
- HBCU/MSI Search
- Capability Statement viewing
- Joint Venture opportunities
